

Pallet JackStop™

"THE PALLET JACKSTOP™ THAT STOPS PALLET JACKS"

PJS101

PALLET JACKSTOP™

The Pallet JackStop™ is the only truck tool designed to hold any pallet jack in place in a moving truck or trailer. The Pallet JackStop™, will improve the bottom line for all trucking companies. The larger the fleet, the greater the savings. Great for LTL's and delivery, the Pallet JackStop™ will not slip.

- Increases profits
- Improves drivers efficiency
- Reduces freight claims
- Reduces roll-up door & trailer repairs
- Reduces Pallet Jack damages and repairs
